INDEX---VOL. XL.

TP700
.A5

A.

Account of the London Gas Companies, from the French of M. Cornuault, 4, 27.
Ammoniacal Liquor, 32.
Asphyxia from Illuminating Gas, 55.
Ammonia Water, Examination of, 55.
Appointment of Special Committees, 181.
Awarding Street Lighting Contracts in New York City, 206.
Adverse to Opposition in Washington, D. C., 212.
American Society of Civil Engineers, Annual Convention, 234.
*Advantages of Removing the Tar and Ammoniacal Liquor from the Bottom of the Hydraulic Main, S. W. Durkin, 235
Apparatus for Detecting Gas Leakages, 240.
Awards made by the Jurors in the Gas Section of the Crystal Palace International Gas and Electric Exhibition, 1882-3, 241.
Ammonia Washer-Scrubber, G. A. Hyde, 266.
Account of the Operations of the Paris (France) Gas Company During the Year 1883, 268, 296.

B.

Benchwork, Use of Red Brick in, H. A. Allyn. 123.
Benzine Series in Gas, R. B. Taber, 124.
Burning of a Cargo of American Oil, 162.
Board of Public Interests, Report of, on the Richmond, Va., Gas Works, 186.

C.

Coke and Coal, Domestic Values of, 32.
Controversy, The St. Louis (Mo.) Gas, 56.
Cooper's Coal Liming Process, 76.
Committee on Statistics, New England Association, 101.
*Coal Gas as a Labor Saving Agent in Mechanical Trades, Thomas Fletcher, F.C.S., 102.
Cement Mortar, Its Influence on Lead Pipes, 105.
Chamberlain Gas Process, Wm. Farmer, 155.
Correspondence, Special English, 157, 213, 267.
Composition and Destructive Distillation of Coal, on the, 213.
Coal Tar in the Vine Growing Districts of France, a Novel Use for, 235.
Coal Gas *versus* Water Gas in New York, 262.
Committee on Introduction, Western Gas Association, Report of, 264.
Corrosion of Cast Iron Pipes, 299.

CORRESPONDENCE—

Richmond (Va.) Gas Works Improvements, the, 12.
In Regard to the Tar Combination, 36.
Some Comments on the Situation, 60.
An Enquiry, 60.
Engineering Curiosities, 84.
Water Gas Vetoed, 84.
An Answer to "A. B. T.," 84.
In Answer to "A. B. T.," 108.
An "Engineering Curiosity" again Referred to, 108.
"J. S." Adheres to the Correctness of His Answer to "A. B. T." 134.
Fatal Case of Suffocation from Coal Gas, 134.
"E.," in Rejoinder to "J. S.," Maintains His Original Position, 161.
"J. S." Not Disposed to Admit that His Reasoning is Fallacious, 189
A Correspondent's Views on Hydraulic Main Construction, 217.
"E." Further Explains Himself and Closes His Argument, 217.
A Correspondent Gives His Views about Dr. Love's Letter to the *Sanitary Engineer*, 245.
Working on Similar Lines, 301.

D.

Disappearance, A Mysterious, 2.
Destruction of Gasholders in England, 26.
Despondent Electrician, A, 150.
Drain Pipes Connecting Gas Works Apparatus, Stoppages in, Jas. H. Armington, 211.

E.

Electric Lighting of the Louisville (Ky.) Exposition Buildings, B. Rankin, 10.
English Residual Market, the, 51.
Edinburgh Gas Works Chimney, the, 53.
Election of New Members, New England Gas Association, 99.
Election of New Members, Western Gas Association, 265.
Electric Gas Lighting Appliance, 128.
Example Worth Studying, an, 274

EDITORIAL—

Retrospective, 1.
Personal—Jos. R. Thomas, 2.
To Our Patrons, 2.
Legal Protection for Gas Companies and Gas Consumers, 25.
Annual Meeting of the San Francisco (Cal.) Gas Light Company, 49.
Meeting of the New England Association, the, 50.
What the Association Secretaries are Doing, 74.
New England Association of Gas Engineers, Annual Meeting of the, 97.
—Tar Combination, About the, 98.
Gas Heat Applied to Trade Purposes, 98.
A Law that Should not be Repealed, 121.
Death of Mr. Beach Vanderpool, 122.
The Electric Light in Philadelphia, Pa., 122.
Always Tell the Truth, 150.
New Feature in the JOURNAL, a, 150.
Lighting New York City, 150
Some Suggestions Upon the Paper Recently Read by Mr. Stiness, 177.
Obituary—Mr. Thomas Hersey, 178.
Considering Things of Interest Relating to Brooklyn, New York, 206
Guild of Gas Managers, The, 233.
Not Quite Like the Ordinary Run of Juries, 234.
St. Louis Meeting of the Western Gas Association, 261.
Retaining the Carbonic Oxide Clause, 262.
Personal—Mr. C. V. Smith, 262.
After-Thoughts Relating to the St. Louis Meeting of the Western Gas Association 289.
Legal Proceedings in Relation to the Consumers Gas Company, of Jersey City, New Jersey, 290.

F.

Fuel Gas Companies in Allegheny County, Pa., Rights of, 239.
French Patent Fuel, 290.
Fireproof Paint, 299.

G.

Gas Making by Cooper's Lime Process, 56.
Gas War, a Unique, 56.
Gas and Electric Lighting at Chesterfield, England, a Comparison Between, 131.
Gas Fitting, Geo. B. Burns, 291.

H.

Hints, Some Useful, 79.
Havana (Cuba) Explosions, the, 234.

I.

International Electrical Exhibition to be Held at Philadelphia, Pa, the, 77.
Interview, an Interesting, 108.
In Reference to the Prize Papers, New England Association, 154.
Inaugural Address of President A. B. Slater, New England Association, 99.
Inaugural Address of D. Ford Goddard, 129.
Inaugural Address of President J. B. Howard, Western Gas Association, 263.
Items of Interest from Various Localities, 10, 34, 57, 81, 106, 131, 159, 187, 215, 243, 271, 299.

J.

Jottings from a Gas Manager's Notebook in Regard to Retort Settings, F. C. Sherman, 75.

L.

Latest Move in the St. Louis (Mo.) Gas Supply, 80.
Lithia in Ohio Fireclays, Presence of, 240.
Lighting Apparatus at the Eddystone Lighthouse, 241.

M.

Market for Gas Securities, the, 12, 36, 60, 84, 10[illegible] 134, 161, 190, 218, 245, 274, 302.
Metropolitan Board of Works and the London G[illegible] Companies, 33.
Modifications of the Dieterich Furnace, C. H. Nett[illegible] ton, 125.
Majority and Minority Reports to be Submitted, 16[illegible]
Manufacturing Illuminating Gas from Sawdust [illegible] Deseronto, Ontario, George Walker, 211.
Minority Report in the Massachusetts Water G[illegible] Case, 212.
Manufacture of Sulphate of Ammonia, Jas Some[illegible] ville, 265.

N.

New Residual Product from Coal Gas, H. L. Greville, [illegible]
Nominating Committee, New England Association 10[illegible]
New England Association of Gas Engineers, Fou[illegible] teenth Annual Meeting, Official Report of the, 9[illegible] 123, 151, 179, 207.
*New Works of the Pawtucket (R. I.) Gas Compan[illegible] and Practical Working of Same for a Certain Perio[illegible] S. G. Stiness, 127.
New Manufacturing Enterprise, 178.
*Notes on Purification, J. W. Helps, 184.

O.

Opinion of Prof Henry Morton as to the Practicabi[illegible] ity of Placing Electric Light Conducting Wire[illegible] Underground, 7.
Of Interest to Patentees, 157
Ordering a Question Box, New England Associa[illegible] tion, 211.
Overhead Wires, 240.

OFFICIAL NOTICES—

New England Association of Gas Engineers, 25, 49, 73.
Western Gas Association, 73.
Annual Meeting of the Western Gas Association, 149, 177, 205.
American Gas Light Association—Secretary's Circular, 74.
Central New York Gas Engineers Association, 177
Postponement of the Annual Meeting of the Central New York Gas Engineers Association, 205, 233, 261.
Informal Meeting of the Guild of Gas Managers, 205.
Change in Location of Secretary's Office, American Gas Light Association, 233, 261.

P.

Peat as a Gas Making Material, 9.
Proposed Suit against the Firm of Brown and Owen, 50.
Petroleum Deposits of Baku, 54.
Petroleum Outlook, the, 79, 159.
Peoples Company of Brooklyn, N. Y., Makes another New Rate, 131.
Portland Cement, 156.
Painting Iron, 271.
Pelouze and Audouin Condenser, James R. Smedberg, 293.
Platinum Unit of Light, 297.
Protecting Iron from Rust, 299.

Q.

Questions Asked and Answered, New England Association, 208.

R.

Retort Benches, A. B Slater, 3.
Report of Committee on President's Address, New England Association, 155.
Refrigerating Machinery, 238.

S.

Society of Gas Lighting, Annual Meeting of the, 2.
Sinking a Pit Shaft through Quicksand, 29.
Safety Lamps in Mining Operations, 78.
Selling Coke by Measure or Weight, 158.
Suggestion Concerning the Patent Gas Man, Frederic Egner, 184.
Spontaneous Ignition of Coal, 242.
Sale of Coke by Measure or Weight, 268.
Sawdust in Gas Manufacture, J. E. Bicknell, 297.
Substitute for Candles in Testing Gas, Frederic Egner, 298.

T.

Tinkering the Patent Laws, 79.
Treasurer's Report, New England Association, 101.
Treating Timber, 270.

V.

Vigilance the Price of Success in Gas Making, 179.

W.

Washington (D. C.) Opposition Scheme "Sat Upon," 178.
Weakening of Mains by Tapping, 181.
Working Retorts without Dip Seal, Ten Years Experience in, F. C. Sherman, 235.
Western Gas Association, Official Report Seventh Annual Meeting, 263, 291
Wooden Pipes for Gas Mains, Jas. G. Miller, 295.
